Re: 2012 General Representation Services Agreement
Our File No.: 120101-KOR002

This Agreement will serve to confirm representation and consulting services to be provided by **Thomas Capitol Partners, Inc. (1.) Scope of Work: Pursuant to our discussions, TCP will be engaged to continue implementing a General Representation Services ("GRS") program to assist KITA in achieving its public diplomacy goals in Washington, with focus on public relations, strategic consulting and political, economic and trade advisory.

Given our firm's longstanding friendship with KITA, we are acutely aware of KITA's business mission as well as its efforts to vigorously promote the diverse interests of its membership base. With this in mind, TCP will provide to KITA, specific issue consultation and advisory services with the aim of continuing to elevate and broaden KITA's perception and reach in Washington.

TCP is a firm that has a deep commitment and abiding friendship towards the Republic of Korea and KITA, with a unique perspective of understanding the complexities that govern the U.S.-Korea alliance partnership. We believe that our combination of skills and capabilities aligned with a personal "passion" for the issues will ensure KITA that TCP effectively implements a program to foster greater awareness and support for the issues of primary concern to its membership base. We will seek to achieve this through strategic communication, public relations and policy education.

In our discussions, as KITA has identified the consulting services which it wants TCP to provide under the form of advice, counsel, strategic consulting, media development and public relations advocacy, TCP will itself register under the terms of the Foreign Agents Registration Act of 1937 (FARA), as amended, in order to fully comply with United States law. Furthermore, this Agreement shall be in full compliance with the Foreign Corrupt Practices Act and all other U.S. legal requirements.
